

One-Chem™ Interior Multi-Clean

One bottle formula! Ready to use anti-bacterial formula to clean all the hard surfaces found in kitchens, bathrooms and throughout the living area. Safe for refridgerators, work surfaces, showers, toilets, sinks and acrylic windows

We've made One-Chem to be the safest, most effective product available, but you should always read the instructions on the label:

Instructions for use

- Hold bottle 10cm away, spray and wipe immediately with a clean, damp cloth to leave a brilliant shine.
- Effective for use on all hard surfaces* including plastics, acrylics, chrome, glass, wood effect finishes, melamine, formica, vinyl floor and wall coverings, tiles, porcelain and fibreglass.
- Always test a hidden area before use.

*Not suitable for use on polished solid wood surfaces.

Safety recommendations

- In case of contact with eyes, rinse with water. If the irritation persists, seek medical advice.
- Keep out of the reach of children.
