

# **One-Chem™ Upholstery & Carpet Multi-Clean**

One bottle formula! Ready to use high foam formula ideal for general cleaning or stain removal, specially developed for the upholstery\* and carpets found in caravans, motorhomes and boats.

We've made One-Chem to be the safest, most effective product available, but you should always read the instructions on the label:

## **Instructions for use**

### **General cleaning:**

- Turn trigger to spray setting and spray lightly, holding bottle 10cm away from area to be cleaned.
- Leave to work for a maximum of 1 minute.
- Massage shampoo into upholstery or carpet with a clean, damp, colourfast cloth.
- Rinse cloth with warm water throughout process. Blot any excess liquid.
- Once dry vacuum to clean, fresh finish. Repeat if necessary.

### **Spot removal:**

- Turn trigger to jet setting and apply direct to stain, from a distance of 10cm away.
- Leave to work for a maximum of 2 minutes.

- Using a clean, damp, colourfast cloth, massage spot, rinsing with clean, warm water.
- Blot away any excess liquid with a dry cloth or kitchen towel. Vacuum clean when dry.
- For stubborn stains, repeat process.
- Not suitable for use on velvet, brocade, rayon or other materials unsuitable for wet cleaning.

\*Always test a hidden area for colour fastness before use.

## **Safety recommendations**

- In case of contact with eyes, rinse with water.
- If the irritation persists, seek medical advice.
- Keep out of the reach of children.
